

HPE ASE - Synergy Solutions Integrator V1

This certification validates that you can expertly design, configure and integrate HPE's composable infrastructure and Synergy solutions into a customer environment.

Additionally this certification validates you can:

- Describe, demonstrate and design HPE Synergy solutions to meet customer technical and business needs
- Perform pre-installation planning for workloads
- Configure, install, troubleshoot and optimize HPE Synergy solutions

Why Earn This Certification?

- To advance your career as a certified composable infrastructure professional
- To verify that you can perform critical HPE Synergy design, configuration and integration tasks
- To increase your ability to provide an excellent customer experience
- To validate that your composable infrastructure knowledge and skills can help drive more automation, simplicity and efficiency into your data center

Candidate

Typical candidates for this certification are systems integrators, sales consultants, technical consultant systems engineers, sales engineers or field support technicians who design, configure, install and integrate HPE Synergy composable infrastructure solutions.

Step 2: Register Or Apply For This Certification

[Register for this certification in The Learning Center](#)

Step 3: Verify And Complete All Prerequisites And Requirements For Your Chosen Path:

Prerequisite Path 1

You must have 1 of these:

- HPE ATP - Server Solutions V4 (inactive)
- [HPE ATP - Hybrid IT Solutions V1](#)
- HPE ATP - Server Solutions V3 (inactive)
- HP ATP - Server Solutions V2 (inactive)

Requirement 1 - Complete:

Exam #	Exam name	Register for exam
HPE0-S50	Integrating HPE Synergy Solutions	N/A

Recommended Training:

None

Requirement 2 - Complete 1 of these:

Exam #	Exam name	Register for exam
HPE2-T35	Using HPE OneView	N/A
HPE2-T34	Using HPE OneView (inactive)	N/A
HPE2-T30	HPE OneView (inactive)	N/A
HPE2-T22	Delta - HPE OneView (inactive)	N/A

Recommended Training:

None

Certification achieved

Three to five days after you complete all requirements, you receive an email notification. Then your status in The Learning Center becomes "acquired". Track your training and certification progress through your transcripts in The Learning Center.

Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
