

# Aruba Certified Mobility Associate (ACMA) V8

This certification validates you have the foundational networking knowledge and skills required to design, set up and configure a basic Aruba Wireless Local Area Network (WLAN) utilizing the V8 operating system architecture and features.

Additionally this certification validates that you can:

- Understand the Aruba Mobile First Platform based on the Aruba Mobility Master and Controller architecture
- Configure secure WLAN features
- Configure integrated firewalls
- Describe and configure Controller and AP communications
- Describe features of Dynamic RF management
- Implement secure and guest networking solutions

## Why Earn This Certification?

- To position yourself as a trusted team member who can contribute to the design, deployment and management of the latest Aruba Mobile First Platform solutions
- To validate you understand the fundamentals of building an Aruba Mobile First Platform
- To advance your career as a certified professional

## Candidate

Typical candidates for this certification are networking IT professionals who deploy small-to-medium scale enterprise network solutions based on Aruba products and technologies.

## Skill Level

Professional

## Steps to acquire this certification

### Before You Begin:

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). Then create a profile with Pearson VUE, our exam delivery vendor. [Learn how in the Learning Center Assist Kit](#).

### Step 1: Do You Qualify For An Upgrade Path?

There are no upgrade paths available for this certification.

### Step 2: Register Or Apply For This Certification

[Register for this certification in The Learning Center](#)

### Step 3: Verify And Complete All Prerequisites And Requirements For Your Chosen Path:

#### Requirement Path 1

There are no prerequisites for this path.

**Complete:**

| Exam #   | Exam name                                  | Register for exam |
|----------|--|-------------------|
| HPE6-A42 | Implementing Aruba WLAN (IAW) 8 (inactive) | N/A               |

**Recommended Training:**

None

**Certification achieved**

Three to five days after you complete all requirements, you receive an email notification. Then your status in The Learning Center becomes "acquired". Track your training and certification progress through your transcripts in The Learning Center.

**Digital Badge**

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
