

# HPE Product Certified - Aruba Location Services Specialist

This certification validates that you can design, develop and deploy Meridian based applications with Aruba Beacons for location aware applications.

It validates your ability to:

- Understand the Meridian product line and Aruba Location solutions
- Understand how to design and deploy Aruba Location solutions with Aruba location and proximity beacons
- Describe Meridian Appmaker and SDK, maps and app content creation
- Configure and monitor Aruba Beacons using remote beacon management
- Identify the need for ALE and third party analytics
- Troubleshoot Beacon deployments and campaigns
- Integrate Aruba location services with ClearPass

## Why Earn This Certification?

- Position yourself as a professional developer of location and non-location aware Meridian powered applications and location solutions
- Demonstrate your ability to design and deploy applications using the Meridian cloud based Appmaker platform
- Enhance your career as an Aruba Certified Engagement and Analytics Professional

## Candidate

Typical candidates for this certification are networking IT professionals or technical marketing professionals looking for technical certification in Aruba Engagement and Analytics.

## Skill Level

Foundational

## Steps to acquire this certification

### Before You Begin:

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

### Step 1: Do You Qualify For An Upgrade Path?

There are no upgrade paths available for this certification.

### Step 2: Register Or Apply For This Certification

[Register for this certification in The Learning Center](#)

### Step 3: Verify And Complete All Prerequisites And Requirements For Your Chosen Path:

#### Requirements for candidates new to this certification

There are no prerequisites for this path.

**Complete:**

**Certification achieved**

Three to five days after you complete all requirements, you receive an email notification. Then your status in The Learning Center becomes "acquired". Track your training and certification progress through your transcripts in The Learning Center.

**Digital Badge**

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
