

HPE Sales Certified – Hybrid Cloud Solutions [2020]

This certification verifies that you can identify HPE sales opportunities and build sales pipeline. By learning to engage customers in strategic IT conversations, you will be able to uncover business needs and qualify customers for HPE hybrid cloud solutions.

The course content includes:

- Why digital transformation is still relevant and how it impacts businesses today.
- The importance and benefits of consultative selling.
- How customers benefit from everything-as-a-service and how to deliver it to your customers.
- The need to provide customers with a Cloud experience on-premises.
- Delivering the Intelligent Data Platform and the competitive advantage it provides businesses.
- Sales tools and resources for HPE partner sellers.

Why earn this certification?

This certification validates your understanding of:

- How to engage in more strategic consultative IT conversations
- Differentiating yourself from that of a vendor to a valued partner with your customers
- Leading strategic conversations in HPE Everything-as-a-Service, provide your customer a Cloud experience, and deliver the Intelligent Data Platform
- How to clearly differentiate HPE and the value HPE provides
