# ACA – Campus Access

This certification verifies that you have the fundamental knowledge, skills, and practical experience required to configure and manage modern, open standards-based networking solutions using Aruba's wired, wireless, security and management technologies.

## Why earn this certification?

- Position yourself as a trusted team member who can contribute to the deployment and management of the latest Aruba Campus Access solutions
- Validate you understand the fundamentals of an Aruba's Campus Access technologies
- Enhance your career with an Aruba technical certification

## Candidate

Typical candidates for this certification has 1+ years of experience with networking and a vendor agnostic understanding of basic network protocols.

## Skill level

Associate

## Steps to acquire this certification

### Before you begin

Acquire access to The Learning Center and get an HPE Learner ID. If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

### Step 1: Register or apply for this certification

Register for this certification in The Learning Center. This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

### Step 2: Verify and complete all prerequisites and requirements for your chosen path:

### Requirements for candidates new to this certification

WBT = Web Based      ILT = Instructor Led      VILT = Virtual Instructor Led      VCR - Virtual Class Recorded      SCA = Special Course or Activity

## Digital Badge
Based on the Open Badges Standard, digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. Click here for more information on HPE digital badges.
