

ACP – Campus Access

This certification validates your intermediate knowledge and implementation of wired and wireless networks, including routing/switching, RF applications, security, connectivity, and troubleshooting.

Earning this certification verifies that you can:

- Describe and differentiate between 802.11, 802.1, and 802.3 technologies.
- Implement foundational networking architectures and technologies and deploy devices.
- Implement mechanisms for resiliency, redundancy, and fault tolerance.
- Implement and validate Layer 2/3 technologies.
- Implement RF attributes and wireless functions and build a configuration based on customer requirements.
- Implement routing topologies and functions.
- Implement security standards and concepts and integrate wireless SSID with EAP-TLS.
- Implement wired AAA configurations based on customer requirements.
- Implement and Analyze the output from common network monitoring tools.
- Define and perform troubleshooting on wired and wireless networks.
- Describe and implement QoS, and optimize Wireless Performance.

Why earn this certification?

- Position yourself as a trusted team member who can contribute to the deployment and management of the latest Aruba Campus Access solutions
- Validate that you understand the fundamentals of Aruba Campus Access technologies
- Enhance your career with an Aruba technical certification

Candidate

Typical candidates for this certification are NOC Level 2/3, network analyst, or network engineer with 2–5 years of experience with Aruba portfolio and an understanding of the implications of their actions on the network, impact, and risk of change management.

Skill level

Expert

Steps to acquire this certification

Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0–AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Requirements for candidates new to this certification

There are no prerequisites for this path.

Complete:

Exam #	Exam name	Register for exam
HPE7-A01	HPE Network Campus Access Professional Exam	Register

Recommended Training

Course #	Course Name	Format – Typical duration	Register for course
Training for Exam HPE7-A01: HPE Network Campus Access Professional Exam			
0001199936	Implementing Campus Access, Rev. 23.11	VILT – 5 days ILT – 5 days	Register

WBT = Web Based ILT = Instructor Led VILT = Virtual Instructor Led VCR – Virtual Class Recorded SCA = Special Course or Activity

Requirements for recertification

You must have:

- [HPE Aruba Networking Certified Professional – Campus Access](#)

Complete:

Exam #	Exam name	Register for exam
HPE7-A01	HPE Network Campus Access Professional Exam	Register

Recommended Training

Course #	Course Name	Format – Typical duration	Register for course
Training for Exam HPE7-A01: HPE Network Campus Access Professional Exam			
0001199936	Implementing Campus Access, Rev. 23.11	VILT – 5 days ILT – 5 days	Register

WBT = Web Based ILT = Instructor Led VILT = Virtual Instructor Led VCR – Virtual Class Recorded SCA = Special Course or Activity

Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
