

ACP – Data Center

This certification verifies that you have the knowledge and skills required to design, deploy, and manage secure, scalable, resilient, and high-performing data center network infrastructure based on HPE Aruba Networking data center products.

Earning this certification will enable you to:

- Plan the low-level design
- Install and configure the solution
- Troubleshoot, maintain, and optimize the infrastructure
- Create a monitored environment

Save up to 45% on this certification with [HPE Certification Advantage Program](#).

Why earn this certification?

- Position yourself as a trusted member who can design and monitor the data center network infrastructure using the latest HPE Aruba Networking products.
- Demonstrate that you can deploy data center networks that meet customer requirements.
- Enhance your career with an HPE Aruba Networking certification.

Candidate

Typical candidates for this certification have a minimum of three years of experience implementing and supporting data center networks.

They can:

- Design and validate data center networks that meet customer requirements.
- Deploy HPE Aruba Data Center Networking switches into greenfield or brownfield network environments.

Expert

Steps to acquire this certification

Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0–AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Requirements for candidates new to this certification

There are no prerequisites for this path.

Complete:

Exam #	Exam name	Register for exam
HPE7-A05	HPE Network Data Center Professional Exam	Register

Recommended Training

Course #	Course Name	Format – Typical duration	Register for course
Training for Exam HPE7-A05: HPE Network Data Center Professional Exam			
0001205541	Implementing Data Center Networks, Rev. 23.41	VILT – 5 days ILT – 5 days	Register

WBT = Web Based ILT = Instructor Led VILT = Virtual Instructor Led VCR – Virtual Class Recorded SCA = Special Course or Activity

Requirements for recertification

You must have:

- [HPE Aruba Networking Certified Professional – Data Center](#)

Complete:

Exam #	Exam name	Register for exam

Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
