

ACX – Campus Access Switching

This certification validates the highest level of expertise for HPE Aruba Networking wired and wireless solutions, including the ability to implement and optimize enterprise-level HPE Aruba Networking campus access solutions. Earning this certification will enable you to:

- Validate your mastery of campus networking with a specific focus on networking, including, security, connectivity, performance optimization, and troubleshooting.
- Develop configurations based on customer requirements.
- Implement switching solutions.
- Design and troubleshoot mechanisms in different areas such as WLAN, security, routing, and AAA configurations.
- Analyse and remediate performance issues.

Why earn this certification?

Earn this certification to:

- Position yourself as a switching expert in advanced HPE Aruba Networking wired switching solutions, including the ability to implement and optimize enterprise-level Aruba Campus Access Switching solutions.
- Demonstrate that you can implement complex network architectures and customer requirements to monitor, troubleshoot, and optimize network solutions.
- Enhance your career and job satisfaction as an Aruba Certified Expert (ACX), the highest-level certification from HPE Aruba Networking.

Candidate

Typical candidates for this certification are senior network engineers or solutions architects with 5+ years of experience with complex networks, and mastery of configuration and troubleshooting.

Skill level

Master

Steps to acquire this certification

Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Requirements for candidates new to this certification

There are no prerequisites for this path.

Requirement 1 – Complete:

Exam #	Exam name	Register for exam
HPE7-A06	HPE Campus Access Switching Expert Written Exam	Register

Recommended Training

Course #	Course Name	Format – Typical duration	Register for course
Training for Exam HPE7-A06: HPE Campus Access Switching Expert Written Exam			
0001203923	Advanced Campus Access for Switching, Rev. 23.41	VILT – 5 days ILT – 5 days	Register

WBT = Web Based ILT = Instructor Led VILT = Virtual Instructor Led VCR – Virtual Class Recorded SCA = Special Course or Activity

Requirement 2 – Complete:

Exam #	Exam name	Register for exam
HPE4-A52	HPE Campus Access Switching Expert Practical Exam	Register

Recommended Training

Course #	Course Name	Format – Typical duration	Register for course
Training for Exam HPE4-A52: HPE Campus Access Switching Expert Practical Exam			
0001203923	Advanced Campus Access for Switching, Rev. 23.41	VILT – 5 days ILT – 5 days	Register

WBT = Web Based ILT = Instructor Led VILT = Virtual Instructor Led VCR – Virtual Class Recorded SCA = Special Course or Activity

Requirements for recertification

You must have:

- [HPE Aruba Networking Certified Expert – Campus Access Switching](#)

Complete:

Exam #	Exam name	Register for exam
HPE7-A06	HPE Campus Access Switching Expert Written Exam	Register

Recommended Training

Course #	Course Name	Format – Typical duration	Register for course

Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
