HPE ASE – HPE GreenLake Administrator

This certification validates an HPE GreenLake Cloud Services tenant administrator's ability to setup, configure, and perform day-to-day administration of HPE GreenLake for Private Cloud Enterprise Bare Metal Service, HPE GreenLake for Private Cloud Enterprise Virtual Machine Service, and HPE GreenLake for Private Cloud Enterprise Containers Service for optimal use by their end users.
Earning this certification demonstrates that you can:
- Understand and describe HPE GreenLake Cloud Services administered through HPE GreenLake Central
- Describe shared responsibility model for HPE GreenLake for Private Cloud Enterprise
- Configure Private Cloud Solutions to meet consumer requirements
- Understand consumption of your HPE GreenLake account and its associated services

Save up to 45% on this certification with HPE Certification Advantage Program.

Why earn this certification?

- To position yourself as a knowledgeable expert who is capable of administrating and optimally using HPE GreenLake for Private Cloud Enterprise Bare Metal Service, HPE GreenLake for Private Cloud Enterprise Virtual Machine Service, and HPE GreenLake for Private Cloud Enterprise Containers Service.
- To become a part of a community of fellow HPE certified professionals for continuous learning and shared best practices for growth.
- To enhance your career and job satisfaction as a certified HPE GreenLake expert.

Candidate

Typical candidates for this certification are cloud operators and/or IT administrators who administer HPE GreenLake Cloud Services. The ideal candidate has two to three years of hands on experience or equivalent managing and/or administering infrastructure, virtualized, container, and/or cloud environments.

Skill level

Expert

Steps to acquire this certification
Before you begin

Acquire access to The Learning Center and get an HPE Learner ID. If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

Register for this certification in The Learning Center. This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Digital Badge

Based on the Open Badges Standard, digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. Click here for more information on HPE digital badges.
