HPE ATP – HPE GreenLake Administrator Foundations

This certification validates that you have a foundational knowledge and skills of the HPE GreenLake portfolio, HPE GreenLake management tools and underlying architecture technologies. Earning this certification demonstrates your ability to describe, adopt, and adapt key elements to better manage cloud services.

Why earn this certification?

Earning this certification will help you understand:
- HPE GreenLake essentials, including HPE GreenLake value proposition and structure, a few selected HPE GreenLake cloud services, and an overview of the HPE GreenLake Central interface.
- Acquiring and Managing Cloud Services as part of an overall strategy to ensure that an organization stays relevant and successful in a rapidly changing world. Understand the stages an organization and its service providers need to pass through to realize value from using cloud services.

Candidate

Typical candidates for this certification are users and/or administrators of a cloud environment. They are IT professionals willing to advance their knowledge of new service management approaches to cloud services.

Skill level

Professional

Steps to acquire this certification

Before you begin

Acquire access to The Learning Center and get an HPE Learner ID. If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0–AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

Register for this certification in The Learning Center. This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Requirements for candidates new to this certification

There are no prerequisites for this path.

Digital Badge

Based on the Open Badges Standard, digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. Click here for more information on HPE digital badges.
