

Aruba Certified ClearPass Associate (ACCA)

The Aruba Certified ClearPass Associate certification validates that you have the foundational knowledge of ClearPass Policy Manager and ClearPass guest. This certification validates that you know how to configure ClearPass as an authentication server for both corporate users and guests. It also verifies your foundational knowledge of device profiling and posture checks.

This certification validates that you:

- Understand services, enforcement policies and profiles
- Understand how to integrate and use Windows Active Directory in ClearPass
- Understand and can configure ClearPass guest
- Understand and can configure posture and profiling
- Understand and can configure device onboarding

Why earn this certification?

Earn this certification to:

- Position yourself as a trusted team member who can contribute to the design and implementation of Authentication and policy enforcement using the ClearPass product line.
- Advance your career as a certified Aruba networking professional who understands the fundamentals of building Mobile First Networks using ClearPass.

Candidate

Typical candidates for this certification are networking IT professionals with a minimum of six months experience in deploying network solutions for the enterprise.

Skill level

Professional

Steps to acquire this certification

Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Requirements for candidates new to this certification

There are no prerequisites for this path.

Certification	Aruba-ACEA	Aruba Certified Edge Associate (ACEA) (inactive)	N/A

Recommended Training

None

Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
