

# Aruba Certified Mobility Associate (ACMA)

This certification validates you have the foundational networking knowledge and skills required to design, set up and configure a basic Aruba Wireless Local Area Network (WLAN) utilizing the AOS8 operating system architecture and features.

Additionally this certification validates that you can:

- Understand the Aruba Mobile First Platform based on the Aruba Mobility Master and Controller architecture
- Configure secure WLAN features
- Configure integrated firewalls
- Describe and configure Controller and AP communications
- Describe features of Dynamic RF management
- Implement secure and guest networking solutions

## Why earn this certification?

- To position yourself as a trusted team member who can contribute to the design, deployment and management of the latest Aruba Mobile First Platform solutions
- To validate you understand the fundamentals of building an Aruba Mobile First Platform
- To advance your career as a certified professional

## Candidate

Typical candidates for this certification are networking IT professionals who deploy small-to-medium scale enterprise network solutions based on Aruba products and technologies.

## Skill level

Professional

## Steps to acquire this certification

### Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

### Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

### Step 2: Verify and complete all prerequisites and requirements for your chosen path:

#### Requirements for candidates new to this certification

There are no prerequisites for this path.

#### Complete:

| Exam #   | Exam name  | Register for exam |
|----------|--|-------------------|
| HPE6-A70 | Aruba Certified Mobility Associate Exam (inactive) | N/A               |

## Recommended Training

None

**Requirements for recertification**

You must have:

| Certification | Aruba-ACEA | Aruba Certified Edge Associate (ACEA) (inactive)        | N/A               |

**Recommended Training**

None

**Digital Badge**

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
