

# HPE Aruba Networking Certified Network Technician

This certification validates that you understand the different aspects of campus access both wireless and wired methodologies.

## Why earn this certification?

- Perform Numerical Conversions
- Analyze Packets and do initial switch setup
- Configure VLANs and 802.1Q
- Configure IPv4 Routing
- Deploy a WLAN and monitor a WLAN and wireless client

## Candidate

Typical candidates for this certification have basic knowledge of computer networking with little to no experience in this area.

## Skill level

Technical

## Steps to acquire this certification

### Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

### Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

### Step 2: Verify and complete all prerequisites and requirements for your chosen path:

#### Requirements for candidates new to this certification

There are no prerequisites for this path.

## Complete:

Exam #	Exam name	Register for exam

Course #	Course Name	Format - Typical duration	Register for course
Training for Exam HPE3-U01: HPE Network Technician Exam			
0001196344	<a href="#">Introduction to HPE Aruba Networking Solutions, Rev. 22.21</a>	VILT - 3 days WBT - 3 days ILT - 3 days	<a href="#">Register</a>

WBT = Web Based    ILT = Instructor Led    VILT = Virtual Instructor Led    VCR - Virtual Class Recorded    SCA = Special Course or Activity

## Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
