

HPE Product Certified – AI and Machine Learning

This certification verifies that you can design and support solutions using HPE AI and Machine Learning Development Environment to easily implement and train machine learning models by removing complexities, optimizing costs, and accelerating innovation.

Earning this certification will enable you to:

- Understand machine learning (ML) ecosystem fundamentals
- Examine the HPE ML offerings
- Describe requirements and prerequisites for HPE machine learning solutions
- Articulate the business value of HPE ML solutions
- Demonstrate and explain how to use HPE machine learning [PDK]
- Compare HPE Machine Learning enterprise offerings to open-source versions

Save up to 45% on this certification with [HPE Certification Advantage Program](#).

Why earn this certification?

- Learn Machine Learning and AI fundamentals.
- Grow your expertise in the HPE Machine Learning Development Environment.
- Understand the latest AI offerings and technologies

Candidate

Typical candidates for this certification are involved in technical presales, including those who can design and demonstrate machine learning solutions, and execute POCs, across the Machine Learning stack.

Skill level

Foundational

Steps to acquire this certification

Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Requirements for candidates new to this certification

There are no prerequisites for this path.

Complete:

Exam #	Exam name	Register for exam
HPE2-T38	HPE AI and Machine Learning (inactive)	N/A

Recommended Training

None

Requirements for recertification

You must have:

- HPE Product Certified – AI and Machine Learning (inactive)

Complete:

Exam #	Exam name	Register for exam
HPE2-T38	HPE AI and Machine Learning (inactive)	N/A

Recommended Training

None

Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
