

HPE Solution Certified – Private Cloud AI

This certification validates that you can describe and leverage HPE Private Cloud AI with NVIDIA to help achieve customers' AI requirements.

Earning this certification verifies that you can:

- Assess customers' needs and identify high-level options for HPE AI solutions.
- Understand the HPE Private Cloud AI with NVIDIA infrastructure.
- Size, quote, design, and configure HPE Private Cloud AI with NVIDIA technologies.

Save up to 45% on this certification with [HPE Certification Advantage Program](#).

Why earn this certification?

Earning this certification will help you:

- Increase your credibility as an IT professional who hones foundational skills and knowledge in Artificial Intelligence.
- Differentiate yourself as an expert who can offer customers value using HPE Private Cloud AI.
- Advance your career and enhance your job satisfaction as a certified and recognized technologist.

Candidate

Typical candidates for this certification are familiar with the infrastructure and software components that comprise HPE Private Cloud AI with NVIDIA. They have a general understanding of how these components meet AI workload requirements, and familiarity with the tools that are used to position, size, and configure HPE AI solutions.

Skill level

Master

Steps to acquire this certification

Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Requirements for candidates new to this certification

There are no prerequisites for this path.

Complete:

Exam #	Exam name	Register for exam
HPE2-B08	HPE Private Cloud AI Solutions	Register

Recommended Training

Course #	Course Name	Format – Typical duration	Register for course
Training for Exam HPE2-B08: HPE Private Cloud AI Solutions

Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
