

HPE Solution Certified - Virtualized Data Center

This certification verifies that you can:

- Design appropriate HPE Storage, Compute, and Networking solutions for virtual data centers.
- Position VMware and Microsoft solutions on HPE infrastructure.
- Articulate key migration processes, including planning, validation, execution, and documentation.

Why earn this certification?

Earning this certification will help you:

- Gain the critical skills and knowledge required to design virtualized solutions on HPE infrastructure.
- Differentiate yourself as an expert who can offer customers value-driven results using virtualized solutions on HPE infrastructure.
- Advance your career and enhance your job satisfaction as a certified and recognized technologist.

Candidate

Typical candidates for this certification have experience with HPE virtualized data centers, including HPE Morpheus VM Essentials Software, VMware, and Microsoft solutions on HPE infrastructure. They have a deep understanding of HPE cloud services, including HPE GreenLake, to enable businesses to virtualize their data centers.

Skill level

Master

Steps to acquire this certification

Before you begin

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). If this certification requires a written or online exam (HPE0 or HPE6 or HPE2), then create a user profile with Pearson VUE, our exam vendor for proctored/online exams. Practical exams (HPE1 or HPE0-AxxxP) are delivered through PSI or Aruba Education Services, therefore no Pearson VUE user profile is required.

Step 1: Register or apply for this certification

[Register for this certification in The Learning Center](#). This will make your progress toward this certification more visible within your learner transcripts and the HPE Learning Management Systems.

Step 2: Verify and complete all prerequisites and requirements for your chosen path:

Requirements for candidates new to this certification

There are no prerequisites for this path.

Complete:

Exam #	Exam name	Register for exam
HPE2-B11	HPE Solutions with Virtualized Data Center	Register

Recommended Training

Course #	Course Name	Format - Typical duration	Register for course
Training for Exam HPE2-B11: HPE Solutions with Virtualized Data Center			
0001213110	HPE Solutions with Virtualized Data Center, Rev. 25.31	WBT - 2 days	Register

WBT = Web Based ILT = Instructor Led VILT = Virtual Instructor Led VCR - Virtual Class Recorded SCA = Special Course or Activity

Requirements for recertification

You must have:

- [HPE Solution Certified - Virtualized Data Center](#)

Complete:

Exam #	Exam name	Register for exam

Digital Badge

Based on the [Open Badges Standard](#), digital badges are online representations of your HPE certifications. Each badge is unique to you. Once you accept and place your badge online—in LinkedIn, Twitter, your email signature, for example—clicking on the badge sends the viewer to a custom verification page that includes your name, HPE certification(s) held, and the skills and capabilities required of the certification. [Click here](#) for more information on HPE digital badges.
