

# Selling HPE AI and As-a-Service Solutions

## Exam description

This exam tests the candidate's understanding of AI technology, its partnership with NVIDIA, and as-a-service service sales.

This includes:

- The market trends in AI and as-as-service solutions.
- HPE's AI-driven solutions.
- HPE SaaS and IaaS solutions.
- HPE GreenLake Flex Solutions.

## Ideal candidate for this exam

Service providers and traditional channel partner sellers looking to build or expand their AI and as-a-service offerings.

## Exam contents

This exam has 30 questions.

## Advice to help you take this exam

- Complete the training and review all course materials and documents before you take the exam.
- Exam items are based on expected knowledge acquired from job experience, an expected level of industry standard knowledge, or other prerequisites (events, supplemental materials, etc.).
- Successful completion of the course or study materials alone, does not ensure you will pass the exam.
