

Aruba Certified ClearPass Associate Exam

Exam description

The Aruba Certified ClearPass Associate Exam tests your foundational knowledge of ClearPass Policy Manager and ClearPass Guest. This exam tests your skills on how to configure ClearPass as an authentication server for both corporate users and guests. It also tests your foundational knowledge of device profiling and posture checks.

Ideal candidate for this exam

Ideal candidates for this exam are networking IT professionals with a minimum of six months experience in deploying modern network solutions for the enterprise.

Exam contents

This exam has 60 questions.

Advice to help you take this exam

- Complete the training and review all course materials and documents before you take the exam.
- Exam items are based on expected knowledge acquired from job experience, an expected level of industry standard knowledge, or other prerequisites (events, supplemental materials, etc.).
- Successful completion of the course or study materials alone, does not ensure you will pass the exam.

Objectives

This exam tests your skills on:

Percentage of Exam	Sections/Objectives
33%	Overview and Active Directory
36%	Guest
31%	Endpoint Analysis and Posture
