

Hewlett Packard
Enterprise

Benefits

CONNECT

- Join a unique technical community including HPE presales and partner solution architects.
- Build relationships through online collaboration, at technical events, and in local engagements.
- Access the insider tools, resources, expertise, and people you need to delight your customers.

LEARN

- Advance your skills in consulting, solution architecture, and implementation.
- Stay current on HPE and industry innovation by accessing the same training as HPE employees.
- Find the exact training and information you need to serve your customer “just in time.”

GROW

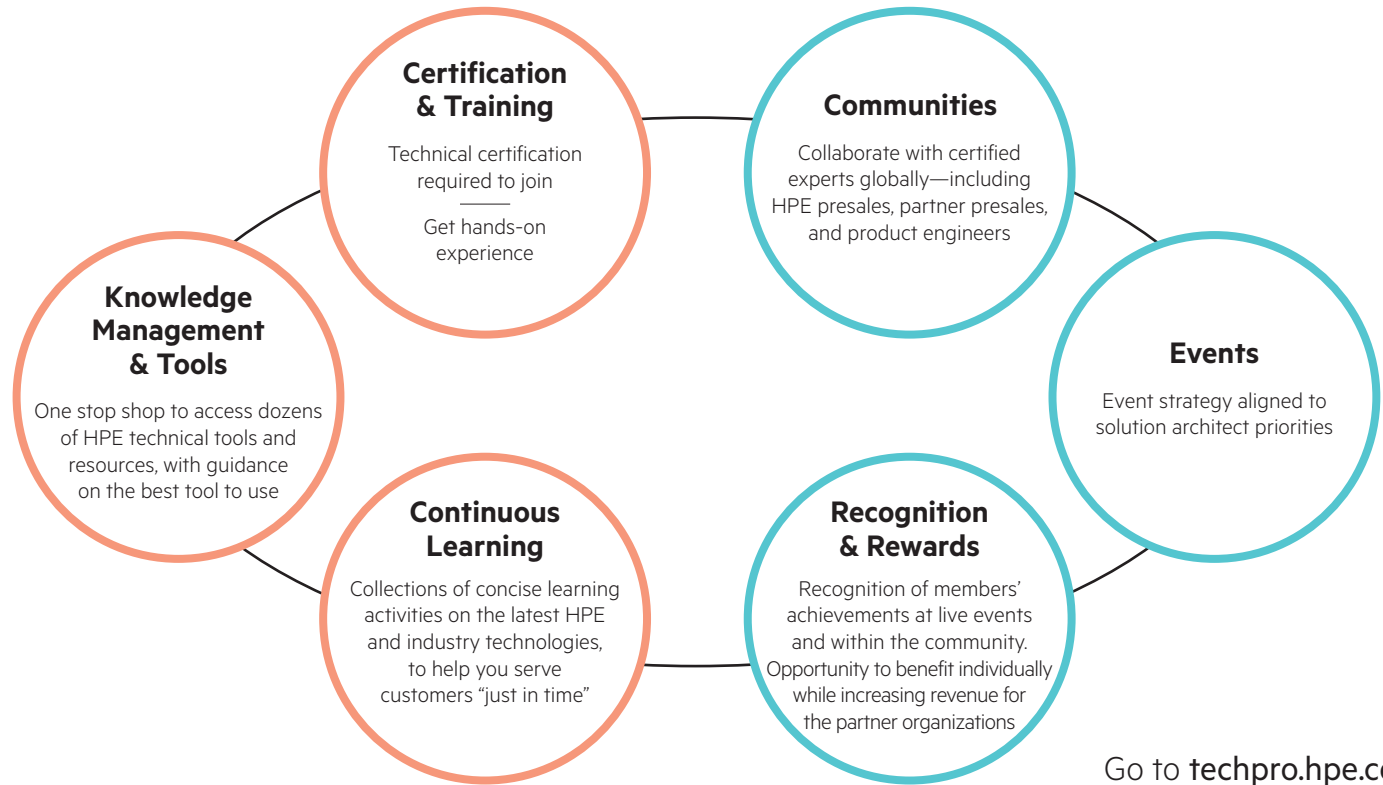

- Build the skills and make the connections needed to innovate, grow, and succeed.
- Develop your professional network.
- Earn incentives and be recognized by HPE, your peers, the industry, and your customers.

Introducing **HPE Tech Pro Community**

HPE Tech Pro Community is an exclusive, global technical community for partner solution architects and HPE presales professionals to work as one team, focused on learning, innovation, and excellence.
